

## Hey there!

I'm Abby. Consider me like an extra set of eyes for taking care of yours. I work with your eye doctor to get the best contact lenses that are perfect for you, delivered to your door—all in just a few clicks.

## How to Order

- Once your doctor has registered your prescription, you will receive an email from helloabby.com
- 2 Open your email to set up your password and see your prescription.
- Select how many contact lenses you need and check out.
